

СПИРАЛЬ 2

A diagram of a square spiral starting from the center and expanding outwards. The spiral is composed of three concentric square-like paths. The dimensions are indicated by red and blue arrows. The innermost path is a square with side length 20. The middle path is a square with side length 40. The outermost path is a square with side length 60. The spiral starts at the center, moves right, then up, then left, then down, and continues in this pattern. The dimensions are labeled as follows: the innermost square has a side length of 20; the middle square has a side length of 40; the outermost square has a side length of 60. The spiral starts at the center, moves right, then up, then left, then down, and continues in this pattern.

Изображение не должно выходить за границы холста (в красную зону). Размеры холста 400x400. В самом начале и после команды «сброс» черепашка находится в центре холста и смотрит строго вверх (направление 0).
